

YOUR CHILDREN ARE SAFE IN OUR BOWLING CENTER

USBC REGISTERED VOLUNTEER USBC REGISTERED VOLUNTEER USBC

Dear Parent,

Children who bowl in United States Bowling Congress Youth programs conducted at **Park Ten Lanes** are in good hands.

We want all parents to know our center is participating in USBC's Registered Volunteer Program. This is a program that requires USBC volunteers who work with your children, along with the bowling center employees having regular ongoing contact with USBC Youth members, to successfully pass a criminal background screening program performed by USBC's partner, the National Center for Safety Initiatives (NCSI).

In addition, all of our Registered Volunteers have agreed to abide by USBC's Code of Conduct, which establishes rules of behavior when working with children. They also will wear a current USBC lanyard and badge.

USBC's Registered Volunteer Program is the first of its kind in the United States. It has been developed for a simple reason – to make sure your children are being cared for by responsible adults worthy of your trust when they participate in our sport.

We just thought you would like to know the **Park Ten Lanes** cares about your kids. If you would like to know more about this important safety program, please visit bowl.com and click on the "Registered Volunteers" link.

Sincerely yours,

James Ford
Youth League Director
